CONSENT ITEMS: City Council approved all 12 Consent Agenda Items, including:

- **12.4:** Through the City's acceptance of federal grant funding, the historic Bob Hope Theater will receive an additional \$119,713 for a total of \$359,141 to support facility operations and maintenance. These dollars will help the theater recover from losses caused by pandemic and allow Stocktonians to continue to enjoy movies and live performances as they have done since 1930. In addition, savings created by the grant funding will be used for needed equipment and building system maintenance and upgrades as funding is available in the approved Entertainment Venues, fiscal year 2021-22, operating budget.
- **12.9:** Through the authorization of the ADA Curb Ramp Installation project, 57 Americans with Disabilities Act (ADA) curb ramps will be installed at various intersections citywide. The improvements will remove accessibility barriers for persons using wheelchairs or other personal assistance devices by adding new ramps. Construction is anticipated to begin in winter 2021 and be completed by spring 2022, weather permitting.
- **12.10:** Through the authorization of the Tree Removal and Stump Grind project, 104 City trees and one stump will be removed at various locations citywide. This project will remove trees in preparation for the upcoming Sidewalk, Curb, and Gutter Repair Program, Project No. WD22004. The tree removal and stump grind project is anticipated to begin in early spring 2022 and be completed by late spring 2022, weather permitting.

- **12.12:** Through the authorization of the Stockton Soccer Complex Upgrades and Maintenance Project, restrooms, parking, and field lighting deficiencies will be addressed, and new amenities will be provided including a food truck parking slab and a play structure. Construction is anticipated to be completed by summer 2022.

NEW BUSINESS:

- **15.1:** City Council received an informational update from Kristen Birtwhistle and Zuleima Flores-Abid of United Way of San Joaquin County on the Stockton Point in Time (PIT) Count taking place on January 31st. The PIT Count accounts for and surveys individuals and families experiencing homelessness in San Joaquin County, to better understand the barriers faced, identify service and support needs, and bring future financial support and resources into San Joaquin County to address homelessness. Zuleima shared a presentation and expressed the need for 300 volunteers for Stockton event. Volunteers can register to serve here: <https://app.mobilecause.com/e/khNMaA?vid=p3kn7>

PUBLIC HEARINGS: Three Public Hearings were held including:

- **16.3:** Adopted a resolution denying the appeal and upholding the Planning Commission's approval, and conditions of approval, of a Time Extension Request for Temporary Activity Permit P20-0824 for a food truck park use at 2107 West Lane.
 - Co-Owners and Members of the Stocklandia Food Truck Park shared during public comment that Stocklandia is no longer operating at the 2107 West Lane location.
 - Co-Owners and Members of the Stocklandia Food Truck Park expressed their desire for the City to develop an ordinance for Food Truck Parks, requested that members of the Food Truck Community be included in the discussions surrounding the formation of an ordinance, and expressed their intent to operate a Food Truck Park at another location in Stockton once an ordinance exists.
 - City Council recommended to City Staff that members of the Food Truck Community be included in the Committee to develop a Food Truck Park Ordinance.
