- **12.3:** Council adopted an ordinance accepting the recommendation of the City Council Salary Setting Commission to maintain the current salary for Stockton City Councilmembers. In even-numbered years, the Commission reviews and makes recommendations to the Council on the amount of monthly salary and the benefits Councilmembers shall receive.
- **12.7:** Council approved the plans and specifications for the Residential Streetlight LED Replacement project, which will replace 3,800 failing LED

Streetlight fixtures with new LED fixtures along residential streets predominantly located in South Stockton.

- **12.8:** Council authorized the installment of raised median segments along Pacific Avenue between the Calaveras River and Hammer Lane. The project will limit unsafe turning movements along Pacific Avenue and is anticipated to be complete by December 2022.
- **12.11:** Council approved the McNair Soccer Complex Phase 2 improvements which includes installation of four electronic scoreboards for the baseball fields, installation of a fenced storage area, and upgrading the security entrance gate to the west side of the facility. Construction is anticipated to be completed by December 2022.
- **12.12:** Council authorized a Bus Rapid Transit project in partnership with San Joaquin Regional Transit District, that will provide express bus service along segments of Pacific Avenue, Madison Street, Fremont Street, Center Street, Miner Avenue, and Sutter Street.

### **NEW BUSINESS:**

- **15.1:** City Council received an informational update from Stockton Shelter for the Homeless regarding the Navigation Center and Men's Expansion project.
  - Stockton Shelter for the Homeless CEO JoLyn McMillan and representatives from Rapid Program Management (RPM) Team shared design blueprints and explained the layout and plans for the project.
  - This project will provide shelter beds for 180 people, navigation and wrap-around services, isolated rooms for families, and will have be capable of accommodating pets, partners, and possessions.
  - Groundbreaking for this project is expected to take place May 2022
  - The project is expected to be completed by October 2022.

The full project presentation can be found in the agenda packet link above.

### **HEARINGS:** Three public hearings were held, including:

**16.2:** City Council adopted a resolution authorizing the acceptance, appropriation, and execution of the Home Investment Partnership Program (HOME) supplemental funding agreement, and authorized allocation of the

\$6,380,677 in funding to eligible affordable housing projects. This funding will be focused on homeless housing activities including acquisition, property rehabilitation, new construction, supportive services, homeless prevention services, housing counseling, and rental assistance. In anticipation of receiving the HOME funds, the City previously sought applications for these funds via a notice of funding availability application process. Staff will bring recommended projects back to Council for approval.

**16.2:** A public hearing was held regarding addendums to the Stockton General Plan Environmental Impact Report, land use map, and a citywide zoning ordinance. After hearing from community members impacted by the proposal, Council tabled this discussion to be resumed in 30 days. The Council-directed postponement will allow City staff the opportunity to conduct additional community outreach in partnership with community organizations, and to address concerns related to the proposal.
