#### **PROCLAMATION/COMMENDATION:**

- City Council proclaimed June 2022 as Elder Abuse Awareness Month.
- City Council provided a commendation to San Joaquin Regional Transit District (RTD) for their on-going partnership, outstanding contributions, and longstanding commitment and service to residents of Stockton, improving the quality of life for all. RTD is providing no-cost transportation services to residents of Stockton June 12-18, 2022.

#### **CONSENT ITEMS:** City Council approved all 14 consent items, including:

- **12.2:** City Council adopted a Social Host Ordinance related to illegal fireworks. Existing City law already prohibits the use of illegal fireworks and imposes penalties on the individuals who use them. The adopted Social Host Ordinance extends that liability to those in charge of property, like property owners and tenants, for violations which occur on their property. The proposed ordinance also revises the penalties for illegal firework use. This ordinance adds penalties to code violations including:

- \$1,000 - \$3,000 fines per violation, depending on number of violations.
- Response Costs: costs associated with law enforcement, fire, medical, or other emergency personnel responding to, remaining at, and leaving the scene where dangerous fireworks, or safe and sane fireworks at a prohibited date, time, or location, were used or discharged.

In addition, this amendment allows City Manager the ability to establish a Reward Fund from penalty violations to award up to \$250 to individuals providing information leading to the identification of, and a successful criminal or civil action against, any person violating this chapter.
